FEES POLICY

Fees are calculated on a yearly basis and then divided into 4 equal payments. Therefore, whether it is a long or short term, fees remain the same per term. For new students starting part way into a term, fees are calculated on a pro-rata basis. All existing students are required to pay for the full term, even if they have an extended absence due to vacation.

Extended absences due to illness/injury will be considered on an individual basis.

FEES POLICY

PAYMENT TERMS

All fees are strictly payable in advance by cash, cheque or direct deposit and are non-refundable and non-transferable. If fees remain outstanding after the payment due date (the first Saturday of each term), an administration fee will be charged per account issued. Unless prior arrangements have been made with the principal, continued non-payment of fees will result in students being refused entry to classes.

CHANGES TO ENROLMENT & NOTICE OF DISCONTINUATION

Enrolment is on an annual basis. Notice of discontinuation or changes to enrolment must be made in writing prior to the end of the current term. If notice is given after this time, students will be liable for the subsequent term fees.
